**LETTER RE: INFORMATION DISCLOSURE STATEMENT
DATED JUNE 17, 2010**

Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Dear Sir:

Applicant's undersigned representative submitted an Information Disclosure Statement (IDS) on June 17, 2010. That IDS included a certification that each item of information contained therein was first cited in any communication from a foreign patent office in a counterpart application not more than three months prior to the filing of that IDS. It has been learned that the communication from the foreign patent office was actually mailed more than three months prior to the filing of that IDS. This error was inadvertent and without any deceptive intent.

Instead of the above-referenced certification, the IDS, which was filed after submission of a request for continued examination and after an October 13, 2009 non-final office action, but prior to the August 10, 2010 mailing of a notice of allowance, should have been accompanied by the fee of \$180.00, under 37 CFR 1.17(p), which fee is submitted herewith (by credit card authorization). *See* 37 CFR 1.97(c)(2).

The information identified in the IDS was considered by the Examiner, as indicated by the List of References cited by applicant and considered by examiner of July 16, 2010, that accompanied the Notice of Allowance mailed August 10, 2010.

Dated: September 15, 2010

Respectfully submitted,

By 

Richard B. Hoffman
